

REQUEST FOR PROPOSAL (RFP) – BID# 7477365

SUPPLY, DELIVER, INSTALL & ONSITE SETUP-SUPPORT OF VARIOUS NEW AUTOMATIC VENDING MACHINES FOR USE BY THE BLIND AT VARIOUS FACILITIES STATEWIDE

SUBMISSION DEADLINE: Friday, July 19, 2013 at 10:00 AM (ET)

PRE-BID CONFERENCE: ☒ NO
☐ YES _____

Mandatory: ☒ NO
☐ YES:

Any vendor who intends to submit a bid proposal in response to this solicitation must have its designated representative attend the mandatory pre-bid conference. The representative must register at the pre-bid conference and disclose the identity of the vendor whom he/she represents. Because attendance at the pre-bid conference is mandatory, a vendor's failure to attend and register at the pre-bid conference shall result in disqualification of the vendor's bid proposal as non-responsive to the solicitation.

Buyer Name: DAVID A. CADORET
Title: CHIEF BUYER

QUESTIONS concerning this solicitation must be received by the Division of Purchases at (BIDINFO@PURCHASING.RI.GOV) no later than (Tuesday, July 09, 2013, 5:00 PM (ET)). Questions should be submitted in a *Microsoft Word attachment*. Please reference the bid number (Bid #7477365) on all correspondence. Questions received, if any, will be posted on the Rhode Island Division of Purchases website as an addendum to this solicitation. It is the responsibility of all interested parties to download this information.

SURETY REQUIRED: NO

BOND REQUIRED: NO

DISK BASED BID: ☒ NO
☐ YES: See attached Disk Based Bidding Information

NOTE TO VENDORS:

Vendors must register on-line at the Rhode Island Division of Purchases website at www.purchasing.ri.gov. Offers received without the completed four-page Rhode Island Vendor Information Program (RIVIP) Generated Bidder Certification Cover Form attached may result in disqualification.

THIS IS NOT A BIDDER CERTIFICATION FORM

Disk Based Bidding Information

File Format

All disk based bid files are ZIP files that you can open using the WinZip 8.1 software. The ZIP file will contain one or more files based on the type of Bid/RFP.

Downloading the Disk Based Bid

Bids that have a file for download are marked with a "D" in the Info field of the bid search results. The "D" will be an active link to the WinZip file until the bid reaches its opening date. Clicking on the active "D" link will allow you to open or save the ZIP file associated with the bid. Opening the WinZip file will download a copy to your computer's temporary directory.

Opening the Disk Based Bid

Once downloaded, you can open the ZIP file with WinZip and view the Microsoft Office files contained within the WinZip file. Immediately save (extract) the individual files to an appropriate directory on your computer, such as "Desktop" or "My Documents".

FOR THE DEPARTMENT OF TRANSPORTATION AND OTHER SPECIFIC PROJECTS:

Completing the Disk Based Bid

Once the Microsoft Office files are properly saved, open the individual files and enter the required information in the appropriate fields. Save each file again to capture the new information you entered.

Submitting the Disk Based Bid

Save the completed files to a CD or diskette. Label the CD or diskette with the Bid/RFP number and bidder's name (company name, not contract name). Submit as instructed in the Bid or RFP solicitation document.

Offers received without the entire completed four-page RIVIP Generated Bidder Certification Form attached may result in disqualification.

THIS PAGE IS NOT A BIDDER CERTIFICATION FORM

Supply, deliver, install & on-site setup-support of various new automatic vending machines for use by the blind at various facilities statewide.

SECTION 1 – INSTRUCTIONS AND NOTIFICATIONS TO OFFERORS

1.1) INTRODUCTION

The Rhode Island Department of Administration, Division of Purchases, on behalf of the Department of Administration, Department of Human Services (Services for the blind), is soliciting proposals from qualified vendors to supply, deliver, install & on-site setup-support of various new automatic vending machines for use by the blind at various facilities statewide, in accordance with the terms of this Request and the State's General Conditions of Purchase (available at www.purchasing.ri.gov). This contract will be for the period 8/1/13 to 6/30/16 with an option to renew for two (2) additional years solely at the State's discretion.

- a) This is a Request for Proposal (RFP), not an Invitation for Bid: responses will be evaluated on the basis of the relative merits of the proposal, in addition to price; there will be no public opening and reading of responses received by the Division of Purchases, other than to name those Offerors who have submitted proposals.

1.2) NOTIFICATIONS TO OFFERORS

- a) Potential offerors are advised to review all sections of this RFP carefully and to follow instructions completely. Failure to make a complete and accurate submission as described herein shall result in rejection of the proposal.
- b) In order to submit a proposal, offerors must register with the Division of Purchases. For information of registering, please see the Division of Purchases' website at www.purchasing.ri.gov under the heading "Vendor Registration Information."
- c) All proposals should include the offeror's FEIN or Tax Identification number as evidenced by an IRS Form W-9, downloadable from the Division of Purchases' website at www.purchasing.ri.gov.
- d) Alternative approaches and/or methodologies to accomplish the desired or intended results of this procurement are solicited. However, proposals which depart from or materially alter the terms, requirements, or scope of work defined by this RFP shall be rejected as being non-responsive.
- e) All costs associated with developing or submitting a proposal in response to this RFP, or to provide oral or written clarification of its content shall be borne by the offeror. The State assumes no responsibility for these costs.
- f) Proposals submitted in response to this solicitation shall be considered to be irrevocable for a period of not less than ninety (90) days following the opening date, and may not be withdrawn, except with the express written permission of the State Purchasing Agent.

Supply, deliver, install & on-site setup-support of various new automatic vending machines for use by the blind at various facilities statewide.

- g) All pricing submitted by Offerors in response to this solicitation shall be considered to be firm and fixed unless otherwise indicated herein.
- h) Proposals misdirected to locations other than the Division of Purchases, or which are otherwise not submitted to the Division of Purchases prior to the time of opening for any cause shall be determined to be late and shall not be accepted, opened, or considered.. The "official" time clock is located in the reception area of the Division of Purchases, 2nd floor, One Capitol Hill, Providence, RI..
- i) In accordance with R. I. Gen. Laws § 7-1.2-1401 no foreign corporation has the right to transact business in Rhode Island until it has procured a certificate of authority so to do from the Secretary of State (401/222-3040) www.sos.ri.gov. However, this is a requirement only for successful bidder (s).
- j) Offerors are advised that all documents and materials submitted to the Division of Purchases for consideration in response to this solicitation shall be considered to be public records, as defined in Title 38 Chapter 2 of the Rhode Island General Laws.
- k) Offerors should be aware of all applicable MBE requirements, as set forth in R. I. Gen. Law § 37-14.1-1, *et seq.* The State's goal is for a minimum ten per cent (10%) participation by MBE's in all State procurements. For further information, contact the State MBE Administrator at (401) 574-8253 or charles.newton@doa.ri.gov, Visit the website <http://www.mbe.ri.gov/>
- l) Equal Employment Opportunity-R. I. Gen. Laws § 28-5.1 Declaration of Policy. – (a) Equal opportunity and affirmative action toward its achievement is the policy of all units of Rhode Island state government, including all public and quasi-public agencies, commissions, boards and authorities, and in the classified, unclassified, and non-classified services of state employment. This policy applies in all areas where the state dollar is spent, in employment, public service, grants and financial assistance, and in state licensing and regulation. For further information, contact the Rhode Island Equal Employment Opportunity Office, at 222-3090 or via e-mail Raymond.lambert@hr.ri.gov
- m) Questions concerning this solicitation may be e-mailed to the Division of Purchases in accordance with the terms and conditions expressed on the cover page of this solicitation. All questions received by the Division of Purchases shall be posted on the Division of Purchases' website as an addendum to this solicitation. It is the responsibility of all interested parties to monitor the Division of Purchases' website for updated solicitation information and addenda.
- n) The Division of Purchases reserves the right to accept or reject any or all proposals submitted in response to this solicitation, to waive minor irregularities, or to negotiate with any Offeror, as necessary, to serve the best interests of the State.

Supply, deliver, install & on-site setup-support of various new automatic vending machines for use by the blind at various facilities statewide.

SECTION 2 – SCOPE OF WORK

BACKGROUND AND PURPOSE

RI Services f/t Blind & Visually Impaired through the Randolph Sheppard Blind Vending Business Enterprise Program (BEP) requests a multi year contract for the **SUPPLY, DELIVERY, INSTALLATION AND ONSITE SET UP/ SUPPORT OF VARIOUS NEW AUTOMATIC VENDING MACHINES- REFRIGERATED, NON REFIGERATED, HOT BEVERAGE AND OTHERS**, for use by the Blind Vending Facility Program blind vendors at vending locations throughout the state as per attached specifications.

- All machines supplied must include direct factory service/set up, training on operation of machine with one of the blind vendors or BEP staff, by a local field service engineer at no additional cost for all initial installations and with follow up as needed for routine support and trouble shooting during the warranty period.
- All machines supplied must be in new/unused condition. Refurbished, renovated or used equipment will not be accepted. No equals or substitutions unless agreed to in advance of delivery.
- All machines supplied under this agreement must include currenza bill recycler, 6 tube coin mechanism, led lighting, price rolls when relevant, locks, keys, freight and delivery.
- Machines shall be ADA and energy star compliant to the extent available by the manufacturer.
- Machine cost shall be reflective of current market pricing per unit, as specified, with delivery and all other noted conditions being met.
- Machines will be requested as needed by the BEP program for use in vending facility administration by BEP staff or BEP administrator.
- All responses to a machine request/price quote- shall be made in a timely manner and no less than 3 business days from date of request.
- Machines generally expected for delivery within 30 days or less.
- Delivery locations all within Rhode Island in the following cities: Providence, Cranston, Newport/ Middletown, Warwick but may vary to other statewide sites. (current perspective delivery locations attached.)

Supply, deliver, install & on-site setup-support of various new automatic vending machines for use by the blind at various facilities statewide.

- Delivery of machines to certain locations may require extensive security clearance and protocols as dictated by the policies of each individual location. Bidder is expected to comply with all delivery /security policies set forth by each individual location.
- Evaluation of bidders shall include past/prior performance and bids shall reflect the ability to supply the goods and support as specified.
- This agreement does not allow for travel time reimbursement for technical support.

SECTION 3 – SUBMITTALS

Vendor must provide the following:

- 1) Four (4) page bidder certification form.
- 2) Provide history of the firm, including the number of years in business providing similar services. Proposals must provide answers to the following questions:
 - a. Does the Offeror have experience with projects of a similar size, scope and use?
 - b. Are principals and staff assigned responsible for this service experienced with projects of similar size, scope and use?
- 3) Submit qualifications and background. List five (5) references with all contact information and amount of contracts. These individuals may be contacted by members of the selection committee for further information. Proposals must provide answers to the following questions:
 - a. Were the references provided related to projects of a similar size, scope and use to the proposed project?
- 4) Cost proposal in separate sealed envelope marked "Cost Proposal".
- 5) Vendor to furnish one (1) copy marked "Original", and four (4) additional copies marked "Copy".

Failure to submit any of the above may result in your proposal being deemed "non-responsive".

Supply, deliver, install & on-site setup-support of various new automatic vending machines for use by the blind at various facilities statewide.

SECTION 4 – EVALUATION CRITERIA

BIDS to be evaluated based on the following criteria:

- | | |
|-----------------------------------|------------|
| 1) History of the firm. | 30% |
| 2) Qualifications and Background. | 50% |
| 3) Cost | 20% |

The State reserves the right to award on technical and/or fee.

Notwithstanding the above, the State reserves the right not to award this contract or to award on the basis of cost alone, to accept or reject any or all responses, and to award in its best interest.

SECTION 5 – PROPOSAL SUBMISSION

Offers to provide the services covered by this Request must be received by the Division of Purchases on or before the date and time indicated on page one of this solicitation.

Responses (an original plus four (4) copies) should be mailed or hand-delivered in a sealed envelope marked with the RFP number (7477365) and **“Supply, deliver, install & on-site setup support of various new automatic vending machines for use by the blind at various facilities statewide”** to:

RI Dept. of Administration
Division of Purchases, 2nd floor
One Capitol Hill
Providence, RI 02908-5855

REMINDER: Proposals received after the above-referenced due date and time will not be considered. Proposals misdirected to other State locations or which are otherwise not presented in the Division of Purchases by the scheduled due date and time will be determined to be late and may not be considered. Proposals faxed, or emailed, to the Division of Purchases will not be considered. The “official” time clock is located in the reception area for the Division of Purchases.

Supply, deliver, install & on-site setup-support of various new automatic vending machines for use by the blind at various facilities statewide.

SECTION 5 – ADDITIONAL TERMS AND CONDITIONS

Responses found to be technically or substantially non-responsive at any point in the evaluation process will be rejected and not considered further. The State reserves the right to reject any or all responses submitted and to waive any informality in any vendor's submission.

The successful firm shall be solely responsible for meeting all terms and conditions specified in this RFP, and any resulting contract. The use of any subcontractors or other vendors must receive prior approval by the State.

Cancellation for Convenience - The State reserves the right to cancel, for its convenience, any and all contracts that are entered into as the result of this award and the firm shall have no claim to any reimbursement for lost work or profits and only have claim for work done until the date of cancellation for convenience. The State will provide thirty (30) days notice of the cancellation.

MERCHANT FOUR
32 Select Standard Model

Merchant Six (Model 181) and Merchant Four (Model 180) Features

Improve Consumer Experience

- Flow user interface—dynamic keypad based on appliance industry touch sensing technology (no moving parts), large, lit keys make it easy to use
- 1-2-3 process (money, selection, change) facilitates experience
- New "OK" key confirms selection and improves confidence
- Ergonomic coin cup
- Graphics display simplifies communication
- POP window for product promotions or company information
- Currency Recycler option is the perfect match to capitalize on higher price points

Durable Construction

- Merchant Six is only 5.5" wider than SnackCenter 1
- Single-piece cabinet (wrapper construction design) is built to last
- All mechanical systems tested to 14 years of life
- Significantly less parts, improves simplicity and reliability (delivery bin, tray harnesses, keypad...)
- Proven keypad technology from appliance industry is built to last
- Factory-installed LEXAN door option for tough locations
- Cabinet "knock-outs" allow access through 30" doorways
- Factory installation of Currency payment systems

Ultimate Merchandising Flexibility

- 6-shelf and 7-shelf configurations
- Merchant Six has up to 84% more spirals (depending on configuration)
- Increased vertical space when compared to SnackCenter for more or taller products
- Shelf height can be adjusted in 1/8" increments for ultimate flexibility
- Easy loading shelves with no latches
- Price roll option provides product prices on the shelf—one roll displays prices from \$0.40 to \$2.35 (\$0.05 increments)

Latest Technology

- Proven electronic platform with new features—upload/download software and configuration with memory stick, language translation, remote price changes (via Streamware Connect), plus all SnackCenter features and more
- Seamless integration with other Crane Merchandising Systems products like Currency Payment Systems and Streamware Vending Management Software
- LED light option reduces service costs, improves product flow, and is more environmentally friendly
- Improved SureVend option guarantees product delivery
- New in-line GFCI (ground-fault circuit interrupter) power cord facilitates connection

Tier 2

BevMax4 Narrow exceeds
ENERGY STAR Tier 2
Standards. The only
Glass Front to exceed the
Department of Energy 2012
Conservation Standards.

Figures based on the national average per kWh - January 2009 (\$0.1103 per kWh). *Actual energy usage may vary based on environmental conditions.

Only BevMax4 has been designed to enhance the consumer experience and meet the operational needs of bottlers and vending operators.

RELIABILITY

The most reliable, dependable vending solution proven by independent 20,000 vend operating tests; 80,000 vend life-cycle tests and comprehensive field testing exceeding 238,000 vends.

VERSATILITY

Increase your sales and profitability by replacing an aging stack vender with a Narrow BevMax4. With a similar footprint as many stack machines, the BevMax4 offers an alternative size for those accounts with space restrictions.

EFFICIENCY

A "shimless" vend mechanism addresses costly labor and service concerns. Load any package in any position. Eliminate loading errors. Load fast with both hands. Bottles remain firmly in place (even if the machine is rocked).

SPEED

Who likes to wait in line? BevMax4 delivers product in only 8 seconds. Faster delivery time increases sales, speed of service and customer satisfaction.

SIMPLIFIED MAINTENANCE

Low profile modular refrigeration platform removes from the front or the back of the machine.

ethnic foods and more — at the convenient touch of a button.

Shopper

The Shopper is a 24-hour fresh food solution providing your employees variety, freshness and great taste.

Shopper

SPECIFICATIONS:

Height: 72 in.

Depth: 30.75 in.

Width: 38.13 in.

Shipping Weight: 710 lbs.

Electrical: 115V, 60Hz, 12A
(15A circuit required).

Listings: cULus, CE, FCC, NAMA approved.

HEARTY APPETITES

The Shopper is the only machine truly capable of "feeding" a workforce. A hard working group of employees requires sustenance to get the job done and the Shopper delivers.

ARRAY OF PRODUCTS

Full entrées, combo meals, ethnic foods, salads and delicatessen style sandwiches are the fuel to keep the engine of your workplace humming along.

EVERYONE SATISFIED

Have more than one shift? The Shopper has "selling zones" that gives each shift its slice of the pie. The turret can be segmented by time to give each group of employees a full stock of items for their time on the clock.

FOOD SAFETY

With the tightest temperature control in the industry, you can rest assured products will be at their best. The Health Control Temperature Setting is computer monitored to guarantee freshness.

PERFORMANCE & RELIABILITY

The Shopper boasts class-leading design and durability. You can count on the Shopper to perform for associates day after day without the nuisance of service calls burdening your business.

The average age of food equipment in locations today is estimated to be more than 8 years old. The Shopper's contemporary styling, merchandising capabilities and reliable performance leave competitors and used equipment as severely inadequate alternatives.
